

1.5 DAY Program*

2024

Collaborative Selling and Negotiations

July 17-18, 2024 Kansas City, MO

October 9-10, 2024 Scottsdale, AZ

Collaborative Selling and Negotiations

WSIA partners with Sales & Presence, which focuses on corporate training, consulting, workshops and events for individuals and teams who want to level up their sales strategy and improve their presence.

Collaborative Selling & Negotiations is a customized program developed specifically for WSIA members. The 1.5 day program focuses on "getting to yes," key elements of the customer journey, and ways to communicate and negotiate that gain lifelong clients and drive success.

WHO should attend

All brokers, managing general agents and underwriters who transact business. This program is most beneficial to those E&S professionals who have relationships with clients. They will gain a greater understanding of clients' needs and perspectives in a sales and negotiation process.

Training Geared toward Business Transaction

Informed Customer Selling

85% of business success is relationship skills. We will take a look at how sales has evolved to know why relationship skills are important:

- Sales then and now
- Client perspective, shifting your mindset
- Your role, build trust and educate

Know Your Customer

In a customer informed era, it is more important than ever to know what is important to your customer, what your value is, and how to prepare:

- Create your buyer persona
- Know your customers buy
- Define your differentiators

Communication is Key

We decide subconsciously within a second of meeting someone if we like, trust, and want to do business with them. How we communicate drives our success. We will focus on:

- Four communication components
- Communication for prospecting/initial meetings
- Skills to handle and negotiate objections

WHAT to expect

Amy Reczek, Sales & Presence, has 18 years experience in the field, serving many as a high level Senior Sales Executive who earned countless awards and was ranked within the top ten national sales executives in her industry.

Customer Journey & Your Success

60-70% of revenue comes from existing customers. Design an action plan for your customer journey. Learn how to:

- Develop a customer roadmap
- Network toward your goals
- Develop partnerships

Evaluate yourself

After this program you will be better positioned to self-reflect, self-assess and develop your own action plan designed to enhance your success.
